

iTradeWin

A complete software to manage container trading operations

BENEFITS :

- 👍 Ability to track container wise profit
- 👍 Complete visibility of assets world wide
- 👍 Real Time availability of data
- 👍 Easy to install and user friendly
- 👍 Easy and quick tracking of containers

www.iinterchange.com

iTradeWin is a web-based solution. It adds enormous amount of efficiency and transparency to your container trading business on a global scale. Brought to you by iInterchange, a speciality software solution provider to the container shipping industry. iTradeWin is backed by a committed after-sale support that you can fully rely on.

Procuring units by container number/quantity
